

# TALK DIRTY TO ME

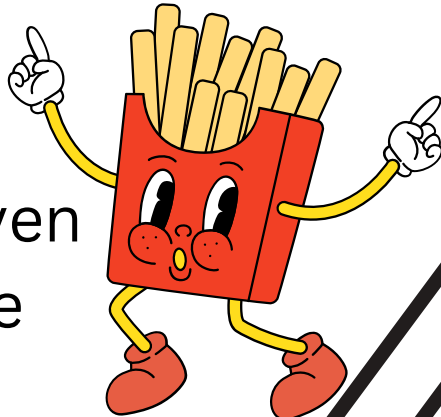

Talk Dirty to Me is SAFE's presentation on consent! However, we also discuss coercion, incapacitation and substances, rape culture, and go through some scenarios.

TW: Some of the topics discussed in this presentation may be triggering, remember to take care of yourself.

**What is consent?**  
**Consent** occurs when one person voluntarily agrees to the proposal or desires of another.

A yellow speech bubble with a black outline and jagged edges, containing text about consent.

## WE LIKE TO SAY CONSENT IS FRIES!

Freely Given  
Reversible  
Informed  
Enthusiastic  
Specific

## WHEN CAN CONSENT NOT BE GIVEN?

If **coercion** is used  
**Coercion** is the practice of persuading someone to do something by using nonphysical force or threats.

If someone is **incapacitated**  
**Incapacitation** is a state beyond drunkenness or intoxication. Someone may be incapacitated if they are speaking incoherently, unable to walk without assistance, or passing out.
